Plant Care Guide

Simple steps for healthy , happy plants

Dracaena Dara

(Dracaena Dara Singh)

Dracaena Dara Singh is a striking houseplant with long, lance-shaped leaves that are dark green with bold red edges. It features a compact and upright growth habit, making it a visually appealing addition to any indoor space.

Nook & Nature

By Neha Kunal Deshmukh

Origin: Hybrid plant, cultivated variety.

Care Level & Placement: Easy care, Indoor & Outdoor

Light

Thrives in bright, indirect light but can tolerate moderate shade

Water

Allow the top inch of soil to dry between waterings, avoiding overwatering.

Soil

Well-draining soil mix with good moisture retention.

Fun fact

The Dracaena Dara Singh is named after the renowned Indian wrestler and actor, Dara Singh.
